200,000 in counterfeit 50 dollar bills  
200,000 in counterfeit 50 dollar bills

One day he's a Greek  
One day he's Italian  
He's 42 years old  
He's George from Baltimore

He's a hustler  
Making money on the street every day  
"What he does with his dough?"  
Some say

It's a shame Petey Reds think he's gamblin'  
Everybody knows George is gettin' high  
But he'll swear on his mother's grave  
That he spends all his dough on the horses at the  
Pimlico

Hit 'em for 700 last night  
Now he got his hand out, somethin' ain't right  
You can call it profit, you can call it lost  
If he gets that train back to Baltimore

200,000 in counterfeit 50 dollar bills  
200,000 in counterfeit 50 dollar bills

George can turn a ten to a grand real quick  
To spend on his medicine, he hates gettin' sick  
His doc gotta Benz, a white girlfriend, now the State  
gotta Benz  
The country's got a Benz 'cause she was workin' for  
him

She could turn the lights out over at the White House  
Still George got to get his  
Looking for a pocket for his 50 dollar bills  
Looking for a thruway to his thrills on the train ride back  
to Baltimore

200,000 in counterfeit 50 dollar bills  
200,000 in counterfeit 50 dollar bills

200,000 in counterfeit 50 dollar bills  
200,000 in counterfeit 50 dollar bills

One day he's a Greek  
One day he's Italian  
He's 42 years old  
He's George from Baltimore

It's a shame Petey Reds think he's gamblin'  
Everybody knows George is gettin' high  
So high
