Damn, what time is it?  
Oh snap I gotta go to work  
Hold on one minute

1 - All I got is 15 minutes  
And I wanna get up in it,  
Ain't got no time to talk  
Just come and break me off  
Ain't got no time for love,  
Just come and give me some  
Ain't got no time to talk,  
Just come and break me off

It's 7:45 on the dot  
Guess I'm late for work, but I'm feeling kind of hot  
I see ya downstairs pouring juice,  
Flippin' my eggs, but I wanna flip you,  
Because your,

Standing right there in your negligee  
Thinking should I hit it but damn I'm late  
Maybe a quickie would make my day  
It'll make my day, it'll make my day,

Repeat 1 (2x)

I think I wanna hit it again,  
Call my boss and tell him I won't be in, no  
I bet he's gonna wanna know why  
And I just can't tell him no lies, no

She's laying right here in her negligee  
Right now, I don't care just cut my pay  
You'd do the same if you were in my place,  
If you were in my place,  
With that booty up in your face.

Repeat 1 (2x)

The first two minutes, girl we gonna take our time  
Break it down, hit ya from behind  
Next three minutes, ooh we gonna get on the floor

Say my name and make me want some more  
5, 4, 3, 2, 1 Timing on the side,  
Hurry up, scream it out, let it go girl  
And when you arrive our time is up,  
So scream much louder,

Repeat 1 till end
