(duet with Beyonce' of Destiny's Child)

[Beyonce']

Here I am

Looking in the mirror

An open face, the pain erased

Now the sky is clearer

I can see the sun

Now that all is, all is said and done, oh

[Marc]

There you are

Always strong when I need you

You let me give

And now I live, fearless and protected

With the one I will love

After all is, all is said and done

[Beyonce'] (Marc)

I once believed that hearts were made to bleed

(Inside I once believed that hearts were made to bleed,
oh baby)

But now I'm not afraid to say

[Beyonce' & Marc]

I need you, I need you so stay with me

[Beyonce'] (Marc)

These precious (precious) hours (yeah)

Greet each dawn in open arms

And dream, into tomorrow

[Beyonce' & Marc}

Where there's only love

After all is, all is said and done

[Beyonce'] (Marc)

(Yeah baby) Oh baby

(Inside I once believed, that hearts were meant to
bleed)

[Beyonce' & Marc] (Marc)

(I'll never)
I'll never be afraid to say
I need you, I need you, so here

[Beyonce']
So here we are in the still of this moment
Fear is gone, hope lives on

[Beyonce' & Marc] (Beyonce')
We found our happy ending
For there's only love (only love)
And this sweet, sweet love
After all is, all is said and done

[Marc] (Beyonce')
Yeah baby after all is (all is)

[Marc & Beyonce']
All is said and done
