Kenya speaking,

a, did I every tell you about that time yo,
I was at a um, club and I was talking to this girl for
about a hour
and you know she was giving me all the rap and
everything
and then at the end of the night, um I was writing down
my number
and um she wrote down here number and so I handed
it to her right
and she opened it and read it you know.. and I put
"Kenya Nelson"
and she said "Is your brother Marc Nelson ?" I was like
yeah cause know,
you're a singing and everything and so I though it gave
me some points.
and she started ripping my number up...I was like
yo,yo, it was trippin' me out..

So what you do?

I went to her friend....
