They say the blacker the berry the sweeter the juice
(I'm be a twix that's in disguise)
I'll oil my body just for you
(baby my nature, let it rise)
Love to see the expression on your face
(you're tellin' me girl it's feelin' good)
While I'm makin' you wet all over the place
(place I knew, I knew you would)
In this chocolate mood

Chorus

There ain't nothin', nothin' like a chocolate man
To put you in teh modd
Said it once and I'll say it twice
Ain't nothin' like (oh there ain't nothing like)

A chocolate mood
There ain't nothin', nothin' like a chocolate man
To get you in the mood said it once and I'll say it twice
Ain't nothin' like (oh there ain't nothing like)
A chocolate mood

Baby lick on my navel
Here let me put you on my pool table
Shoot the black ball in the pocket

(baby, hold on to me)
Doesn't make sense to me,
How could you be so damn sexy
And while you're on top of me, makin' me do the nasty
It's chocolate

Chorus

Bridge

I got it baby
If you want it girl
So come and get with me
Finger lickin' good
So better stay a while

Cause I'm gonna get with you
There's a lot of thngs we can do tonight
I'm down to try anything you like
I've got a chocolate hand
Baby, I'm the candy man
And I'll be your best friend

Chorus
