There'll be on darkness tonight
baby our love will shine
just put your trust in my heart
and lead me in paradise
Now is the time.

you're every wonder in the world to me
a treasure time won't steal away

So listen to my heart
Lay your body close to mine
Let me fill you with my dreams
I can make you feel so right

And baby through the years
even though we're old and gray
I will love you more each day
'cause you will always be the lady in my life

Lay back to the tenderness
Let's make this a night we won't forget
'cause I need your sweet caress
reach out to my fantasy
two heart in the beat of ecstasy
come to me, girl

and I will give you more
in the shadow of the night
let me fill you with my dreams
I can make you feel so right?
and baby through the years
even through we we're old an gray
I will love you more ach day
cause you will always be the lady in my life

Always be the lady in my life

Oh baby, let me keep you warm
always the lady the lady
feel you with the sweetest touch?
you are the lady in my life
