Darkness tonight
Baby, your love will shine

There'll be no darkness tonight
Baby, your love will shine
(Finding the life)

Just put your trust in my heart
And lead me in paradise
(Now is the time)

Girl, you're every wonder in the world to me
A treasure time won't steal away

So listen to my heart
Lay your body close to mine
Let me fill you with my dreams
I can make you feel alright

And baby, through the years
Even though we're old and gray
I will love you more each day
'Cause you will always be the lady in my

Always be the lady in my
Always be the lady in my
Always be the lady in my life
(Always be the lady in my life)

Always be the lady in my
Always be the lady in my
Always be the lady in my life

Yeah, laying back to tenderness
Let's make this night we won't forget
Girl, I need your sweet caress, oh

Reach out to fantasy
Two heart in the beat of ecstasy
Come to me, girl

And I will give you more

In the shadow of night
Then fill you with my dreams
I can make you feel alright

And baby, through the years
Now [Incomprehensible] old an gray
I will love you more each day
'Cause you will always be the lady in my life

Always be the lady in my
Always be the lady in my
Always be the lady in my
Always be the lady in my life

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the sweetest touch
(Always the lady in my life)

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the tenderness
(Always the lady in my life)

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the sweetest touch
(Always the lady in my life)

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the tenderness
(Always the lady in my life)

Oh baby 'cause you're my lady
I won't go nowhere alone, alone, alone

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the sweetest touch
(Always the lady in my life)

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the tenderness
(Always the lady in my life)

Oh baby, let me keep you warm
(You are the lady in my life)
Feel you with the sweetest touch
