She left me, now beggin' please  
For my heart she wants to come back to me  
Now he's gone, you're alone  
Time to pay 'cause you did me wrong

I was sittin' at a bar thinking trying to catch myself  
Call me trippin', she's loving somebody else  
But I'm too cool to let it get me down  
'Cause I knew one day, girl, that you'll be back around

She left me, now beggin' please  
For my heart she's wants to come back to me  
Now he's gone, you're alone  
Time to pay 'cause you did me wrong

I was workin' at a 9 to 5 while he was living large  
I was bring the food to your home, he was giving fancy cars  
Now he's telling you, you have to leave  
Sounds like the same thing you said to me  
I'm not the only fool baby, yeah

Tell me why you're at my door, why could you not see before?  
Tell me what it is he said to make you come back to my bed?  
Now tell me what, no, tell me girl, tell me why you're in my world?  
Got to go, cannot stay, don't you know it's too late

She left me, now beggin' please  
For my heart she's wants to come back to me  
Now he's gone, you're alone  
Time to pay 'cause you did me wrong

I know you've been through many changes  
And I can tell you've never loved someone before  
But baby girl, I just can't take it, no no, no no  
I want you back but I've got to say it's over

She left me, now beggin' please  
For my heart she's wants to come back to me

Now he's gone, you're alone  
Time to pay 'cause you did me wrong

She left me, now beggin' please  
For my heart she's wants to come back to me  
Now he's gone, you're alone  
Time to pay 'cause you did me wrong

She left me, now beggin' please  
For my heart she's wants to come back to me  
Now he's gone, you're alone  
Time to pay 'cause you did me wrong

She left me, now beggin' please
