Last night
I made a crazy deal
I wished for
An angel comes to me

But she can stay just for a day
And then she'll go away
I wished that
In my life she'd always stay

CHORUS:
My angel for a day
I'm begging her to stay
She walks on wild flowers
With a smile on her face
My Valentine all day
She's more than i can take
She says we are just perfect
But only ...for today

She kissed me
And she loves me all the way
She cares for
The prayers I've always made

And she can stay just for a day
And then she went by
I wished that
She always would be mine

Chorus

She cares for
The prayers I've always made

Chorus

My angel for a day
I'm begging her to stay
She walks on wild flowers
With a smile on her face
My Valentine all day

She's more than i can take
She says we are just perfect
But only

My angel for a day
I'm begging her to stay
She walks on wild flowers
With a smile on her face
My Valentine all day
She's more than i can take
She says we are just perfect
But only ... for today
