And I though  
You'd be out my mind  
And I finally found a way  
To learn to live without you  
And I though  
It was just a matter of time

But it's just not so and after all this time  
I still can't let you go

Refrain:

And I still got your face  
Painted on my heart  
Drawn upon my soul  
Etched upon my memory Â– Baby  
And I got your kiss still burning on my lips  
Your touch on my fingertips  
This love so deep inside of me Â– Baby

And I'm trying everything that I can  
To get my heart to forget you  
But I just can't seem to

Guess it's just no use  
In every part of me  
There's still a part of you

Refrain:

And I still got your face  
Painted on my heart  
Drawn upon my soul  
Etched upon my memory Â– Baby  
And I got your kiss still burning on my lips  
Your touch on my fingertips  
This love so deep inside of me Â– Baby

I still got your face  
Painted on my heart  
Painted on my heart  
Painted on my heart

Yeah

Something in your eyes keeps haunting me  
And I try to escape you  
And I know there ain't no way to  
No way to chase you from my mind

Refrain:

I still got your face  
Painted on my heart  
Drawn upon my soul  
Etched upon my memory - Baby  
I got your kiss still burning on my lips  
Your touch on my fingertips  
And I still got your face  
Painted on my heart  
I still got your memory  
Painted on my heart  
Painted on my heart
