[Verse 1]

I'm feeling tired of times  
When you're not with me  
I'm missing a part of myself  
That i can not be  
I'm longing the times that we met  
Like flowers the sun  
The desert is needing the rain  
And I'm on the run

[Bridge]

But you can change everything  
And make all undone

[Chorus]

'Cause only you can complete my soul  
Only you  
You can make me whole  
Will you take my hand  
Without you  
I'm just half a man  
You complete my soul

[Verse 2]

I've longed for the taste of your lips  
Like sand tastes the sun  
I'm missing a part of myself  
When I'm on the run

Ohh

[Bridge]

Only you can change everything  
And make all undone

[Chorus]

'Cause only you can complete my soul  
Only you  
You can make me whole  
Will you take my hand  
Without you  
I'm just half a man

You complete my soul

[Verse 3]

I'm needing you  
Like sand needs the shore  
I promise this time  
Will be better then before

[Chorus]

'Cause only you can complete my soul  
Only you  
You can make me whole (only you)  
Will you take my hand (take my hand)  
Without you  
I'm just half a man (I'm just half a man)  
You complete my soul  
You complete my soul  
You complete my soul
