Let's get crazy and go for a ride, it's a quarter past  
five, we'll go anywhere but here...  
Old Ran McNelly we'll leave behind, trust me we'll be  
just fine.  
We can un the wine...

No doubts, no lies, Bye Bye baby let's drive!  
Chorus: na na na, na na na, na na na nana nana  
Put your hair out, kick your feet up, don't slow down,  
can't get enough  
And if ya really wanna know come on and let's go baby  
you and me, and the windshield  
Singin na na na, na na na, na na na nana nana  
We can play 99 bottles of beer on the wall, man it don't  
matter at all  
Cuz im with you

We can drive all day enjoy the ride, oh my would we be  
tired

Feels good, alright, on the hood baby you and me  
tonight! Sleep tight!  
Chorus

Baby you and me and the windshield (windshield-  
echo)

Singin na na na nana nana na, na na na nana nana

Babyu you and me and the windshield! (echo noises)
