With detailed precision nothing omitted/made the incision cut to what ahed/ none of the trends/none of the friends of the packinging crew/who seels of the image of who buys who/none of it fits/on the shelf it sits/what the rest of us have/is being sold with a laugh/by the media men/in some hope for a trend/and when their ends meet/the next pose on a street/will be the new complete set of rules/sold by liars and bought by fools/when the clothe gets thin/and your shoes begin to show your feet/how far can you walk?/at the billboard talk at the end of the street?/when the radio times/set the rate of decline to a bastardised beat/does your sun still shine/on the neon signs at the side of the street?/make the incision/it's an easy decision/rejecting the gods of consumer religion/fashion and popstars/setting the trends/pulling the strings are the media men
