Well, you call your mama Tiger
And we all know you are lying
And your boyfriend's name is Eagle
And he lives up in the sky...
Watch out the tiger don't go claw the eagle's eye
But let the eagle take the tiger by surprise
Watch in her eyes

So make a stand for your man, honey
Try to can the can
Put your man in the can, honey
Get him while you can
Can the can, can the can
If you can, well, can the can

Well your sister's got the feline touch, she touches up
your mind
And your eagle lover likes his little bit of evil loving all
the time
Don't let the cat get into the eagle's nest at night
Because the eagle could say 'yes' without a fight
Scratch out

So make a stand for your man, honey
Try to can the can
Put your man in the can, honey
Get him while you can
Can the can, can the can
If you can well, can the can

Ooh, can the can, ooh, can the can, uh huh, can the can
Ooh, can the can, ooh, can the can, ooh, can the can
Ah, honey, honey, honey, honey, honey

Make a stand for your man, honey,
try to can the can
Put your man in the can, honey, get him while you can
Can the can, can the can, if you can,

Make a stand for your man, honey, try to can the can...
Put your man in the can, honey, get him while you can
Can the can, can the can, if you can

Make a stand for your man, honey, try to can the can...
Put your man in the can, honey, get him while you can
Can the can, can the can, if you can
