Hello in there,  
My precious little Jewel,  
I keep it locked up tight,  
I run it through the darkness,  
When the worlds asleep at night,  
Sometimes it drives me crazy, crazy,  
Just knowing what I've got,  
Sometimes I'd like to show you,  
But I know I'd better not,  
I wish I never had it,  
If I could just throw it away,  
Then somebody else might find it,  
And that would be a big mistake,  
Watch it shine in all it's glory,  
How it weighs so heavily,  
It's my precious little Jewel,  
And it's staying here with me,  
I noticed how it's changing,  
It's got this sickly glow,  
It's growin, It's strangling me,  
But it's so hot I can't let go,  
Gonna sew my lips together,  
Move my furniture around,  
Put some big shades on my window,  
Hope nobody hears a sound,  
It's my precious little Jewel, Jewel,  
I promised not to tell,  
My precious little Jewel,  
Gonna keep it hidden well,  
Oh Yeah,  
Gonna keep it hidden well,  
I noticed how it's changing,  
It's got this sickly glow,  
It's growin, It's strangling me,  
But it's so hot I can't let go,  
My precious little Jewel,  
I promised not to tell,  
My precious little jewel, jewel,  
Gonna keep it hidden well,  
Oh Yeah,  
Gonna keep it hidden well,  
Oh Yeah,

Gonna keep it hidden well,  
Oh Yeah,  
Gonna keep it hidden well.
