Title: Shake a leg

Well it's friday afternoon and I just got off the work
I'm gonna go on home and wash off the dirt
I got a weeks work of pay, right here in my hand
There's nothing like a weekend when you got a good
friend

Chorus:

Shake a leg, shake a leg, let's get rockin'
Shake a leg, Shake a leg, stop all your talking
If you wanna get down, com'on around, Yeh
Shake a leg, shake a leg
Shake a leg, shake a leg

Well, I loose a kind of jazz and said now come here
quick

You better get on the phone, and get on a stick
Warn all the neighbours and tell all your friends
Yeh to load in a man so the party can begin

Chorus:

Shake a leg, shake a leg, let's get rockin'
Shake a leg, Shake a leg, stop all your talking
If you wanna get down, com'on around, Oh
Shake a leg, shake a leg
Shake a leg, shake a leg

Solo Guitar

Solo Piano

Yeah you gotta work hard to make ends meet
And keep a roof on your head, don't want to end up in
the street

There's a time to work, a time to play
If you gonna have good time and have a good day

Chorus:

Shake a leg, shake a leg, let's get rockin'

Shake a leg, Shake a leg, stop all your talking
If you wanna get down, com'on around, Yeh
Shake a leg, shake a leg
Shake a leg, shake a leg, let's have a party
Shake a leg, shake a leg, Let's get started
If you wanna cut loose, get on with the booze, Oh
Shake a leg, shake a leg
Shake a leg, shake a leg
Shake a leg, shake a leg
Shake a leg, shake a leg
Shakin'
Come on baby, move that thing
Yeah, shake it
Oh yeah
