I believe  
That it's a miracle  
That I found you  
And made you mine

And it's a miracle  
That love can grow  
So much  
In so little time

And I thank you every day  
In so many ways  
I just can't get over  
the power of love

The power of love  
Can move a mountain  
But nothing  
Nothing can move me  
and I feel the power  
when we touch  
and I love you  
I love you so much  
I just can't get over  
the power of love

In my life  
I've had so much happiness  
But the greatest joy  
That I've ever known

But the fulfillment  
Of every woman's dream  
To find love  
And call it my own  
And our love grows everyday  
In so many ways  
I just can't get over  
the power of love

The power of love

Can move a mountain  
But nothing  
Ah nothing can move me  
I feel the power when we touch  
and I love you  
I love you so much  
I just can't get over  
the power of love

I just can't get over the power of love.
