I can feel a change a-comin', there's a wave of calm  
washin' over me  
And I can feel a change a-comin', there's of wave of  
calm washin' over me

I can feel a change in your touch, in your eyes, they say  
so much  
Time has come to let your feelings show, whatever's  
goin' down I still love you so  
Oh-oh I want you to know, how hard it's gonna be for  
me to let you go  
Oh I should let you go, so you can find the peace that  
you deserve to know

I can feel a change a-comin', there's a wave of calm  
washin' over me  
I can feel a change a-comin', there's of wave of calm  
washin' over me

There must be a lesson here to learn, I know my words  
can't say enough  
The truth has come and knocked on my door  
Can't run, can't hide, can't turn away the truth no more  
Oh-oh I should let you go, so you can find that peace  
that you deserve to know  
Oh-oh I want you to know, how hard it's gonna be for  
me to let you go  
Let you go-o-o

I know that heaven is filled with angels, so it would be  
sad to lose it all  
You can only imagine as they now know

Oh-oh I want you to know, how hard it's gonna be for  
me to let you go  
Oh-oh I should let you go, so you can find the peace  
that you deserve to know...

(I can feel a change) I can feel a change a-comin',  
there's a wave of calm washin' over me  
(I can feel a change) Oh-oh-oh, I can

I can feel a change a-comin', there's a wave of calm  
washin' over me  
Oh-oh-oh-oh (I can feel the change), I can feel the  
change a-comin'  
I can feel the change a-comin', calmy washing over  
me, I should let you go  
I can feel a change a-comin', there's a wave of calm  
washin' over me, oh-oh-oh, I can  
I can feel a change a-comin', there's a wave of calm  
washinc1
