Just yesterday morning they let me know you were go-  
one  
Su-uzanne the plans they made they put an end to you-  
ou-ou  
I walked out this morning and I wrote down a song  
I just can't remember who to send it to  
I-I've seen fire and I've seen rai-ain  
I've seen sunny days that I thought would never e-end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again  
Won't you look down upon me Jesus, You gotta help me  
make a sta-and  
Just got to see me through another day, oh-wee-ee  
My body is achin' and my time is at an end, you know,  
you know  
I ain't gonna make it any other way-yay  
I've seen fire and I've seen rai-ain  
I've seen sunny days that I thought would never e-end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again, yes I did,  
we-ell  
I've been a-walkin' my mind through an easy time, my  
back turns t'ward the sun, yes it does  
Lord knows when the cold wind blows it's gonna turn  
your head around  
You spend hours of time on your telephone line to talk  
about things to come, yes dear Lord  
Sweet dreams, flying machines and pieces o-on the  
ground  
I-I've seen fire and I've seen rain, so much rain yo'a-all  
I've seen sunny days that I thought would never e-end  
I've seen lonely times when I could not find a friend  
But I always thought that I would see you baby, o-one,  
come on give it to me, one more time, again, agai-ain  
Thought I'd see you... - one more time agai-ain  
Thought I'd see you... - one more time agai-ain  
Thought I'd see yaaaaa....  
Thought I'd see yaaa... - one more time agai-ain  
Thought I'd see yaaa-ou-ou... - one more time agai-ain  
Though
