Ooh-ooh-ooh, ooh...ooh-ooh-ooh-ooh
I-I can't see the tears from the rain
And your eyes can not hide the pain
I-I don't mind bein' by your si-ide
Even though it does crush my pride
I see you left me on the rainy day
You packed your clothes and you walked away-ay-ay
You didn't even say a word to me
How baby-y-y, now one day you'll see-ee-ee-ee-ee-ee-
ee (baby)
Whatever goes around comes around now baby, yeah-
eah-eah
Whatever goes around comes around now baby, yeah-
eah-eah
Oh yeah-yeah (yeah-eah-eah)
I didn't know 'til I opened the door-oor
And found my clothes on the floor
You-ou didn't have the nerve to say-ay
You had to leave me face to face
But I waited around like a dog-gone fool
I didn't know what happened to you-ou
And then I read the note you wrote
How baby-y-y, now this ain't no jo-o-oke, No-no baby
Whatever goes around comes around now baby, yeah-
eah-eah
Whatever goes around comes around now baby, yeah-
eah-eah
Whatever (whatever) goes around you know gotta
come arou-ound
Whatever (whatever) goes around gotta come arou-
ound, alright (baby)
I see you left me on the rainy day
You packed your clothes and you walked away-ay
You didn't even say a word to me
How baby-y-y, one day you'll see-ee-ee-ee-ee baby
Whatever goes around comes around now baby, yeah-
eah-eah
Whatever goes around comes around now baby, yeah-
eah-eah
Whatever goes around, gotta come around, yeah
(Whatever goes around comes around now baby, yeah-
eah-eah)

Whatever goes around comes around now baby, yeah-
eah-eah, yeah-eah
Whatever goes around gotta come around yeah
(Whatever goes around comes around now baby, yeah-
eah-eah)
If you do it to me I'm go
