(What does a girl do
What should she do)
(What does a girl do
What should she do)

I've only know him
A short time, it's true
I should be careful
And watch what I do

But now he wants to park
Where it's awfully dark
(What does a girl do)
What should I do

How do I know he's
Not playing a game
And if he is, will he
Put me to shame

Now he's getting near
Oh my, oh my dear
(What does a girl do)
What should I do

Should I say no, no
It's late, I must go
My daddy's waiting up for me

Or should I give right in
Give all my love to him
Oh what, oh what, oh what
Should the answer be

I've only know him
A short time, it's true
I should be careful
And watch what I do

But I love him so
How can I say no
(What does a girl do)

What should I do

But I love him so
How can I say no
(What does a girl do)
What should I do, ohh

(What does a girl do)
What should I do, ohh
(What does a girl do)
What should I do...
