Crash of plans and a noise that's stranger  
Coming out from the light in your eyes  
Beauty usually is a sign of danger  
But no one'll resist to you tonight

[Chorus 1:]

Artificially I will touch you  
(Just to feel your vibe)  
Inevitably I will rush you  
(Gotta make you mine)

Boom boom  
Time is ticking, passing by  
Boom boom  
An explosion of love tonight  
Boom boom  
Time is ticking, passing by so slow  
I'm ready to explode

I don't know what it goes, I don't wanna move  
I don't know what it is that you do to me  
I'm so stuck into you, just can't find a groove  
I'm starving, mad, going crazy

[Chorus 2:]

Careously I will feel you  
(Before I let you know)  
Dangerously I'll destroy you  
(Cause I'm ready to explode)

Boom boom  
Time is ticking, passing by  
Boom boom  
An explosion of love tonight  
Boom boom  
Time is passing by so slow  
I'm ready to explode

[Break]

Crash of plans and a noise that's stranger  
Coming out from the light in your eyes

Beauty usually is a sign of danger  
But no one'll resist to you tonight

Baby I never felt so defenseless before  
Never felt kinda ashamed with a guy  
But I'm addicted, somehow I just wanna get more  
Of your poison lips, I need it, tonight

[Chorus 2:]

Boom boom  
Time is ticking, passing by  
Boom boom  
An explosion of love tonight  
Boom boom  
Time is passing by so slow  
I'm ready to explode
