If it's easy to run, without a place to go  
Tell me what would you do if you were lost inside it  
Mamma's so far to help, ain't got nobody else  
What can I do to get away from here?

[Chorus:]

I'm never coming home  
Driving fast in my car  
Wherever the truths are  
I'm gonna find it  
Never going back  
To find the missing piece  
To make me feel complete  
I'll go until the end

I'll go until the end  
Ooh, ooh, yeah

It's dangerous to do  
It's unsafe, it's so cruel  
I always wanted to live inside the fastlane  
But now feels so confused  
I don't know what to do  
I'm not the same but it feels like everything's changed

[Chorus:]

[Chorus 2:]

Still I cannot figure out  
Trying hard to let it out  
And be who I really am  
As a picture they paint me, I guess that they can't see  
My own colors just for me  
I'm living my dreams

The rain is washing all my colors  
And now I see the world we're living in  
Just the way it is  
I'm not getting lost

If it's easy to run, without a place to go  
Tell me what would you do if you were lost inside it  
Mamma's so far to help, ain't got nobody else

What can I do to get away from here?

[Chorus:]

[Chorus 2:]
