Every time I think of you  
It always turns out good  
Every time I've held you  
I thought you understood

People say a love like ours  
Will surely pass  
But I know a love like ours  
Will last and last

And baby I was wrong  
Not knowing how our love should go  
(How our love)  
(How our love should go)  
But then I wasn't wrong  
In knowing how our love would grow  
(How our love)  
(How our love would grow)  
And everytime I think of you  
Every time  
Every time I think of you  
Every single time  
It always turns out good

Seasons come and seasons go  
But our love will never die  
Let me hold you darling  
So you won't cry

Cause people say that our love affair  
Will never last  
But we know a love like ours  
Will never pass

And baby I was wrong  
Not knowing how our love should go  
(How our love)  
(How our love should go)  
But then I wasn't wrong  
In knowing how our love would grow  
(How our love)  
(How our love would grow)

And every time I think of you  
Every time  
Every time I think of you  
Every single time  
It always turns out good

People say a love affair  
Will surely pass  
But I know a love like ours  
Will last and last

And baby I was wrong  
Not knowing how our love should go  
(How our love)  
(How our love should go)  
But the I wasn't wrong  
In knowing how our love would grow  
(How our love)  
(How our love would grow)

Every time I think of you (every time)  
Every time I think of you (every single time)  
It always, it always turns out good turns out good  
Every time I think of you  
Every time I think of you  
Every time I think of you
