Deep inside you always were my sweetheart
But I never thought you'd taste so sweet
So hold me tight
and don't let go till we see the sunrise
Will you remember me tomorrow

Kissing in the dark of night
Never wanna say good night
Ohhh ohh baby
No one touch my heart like this
Never from a single kiss
Ohhh ohh baby
Will you remember me tomorrow

There will always be a day tomorrow
But I really want this one to last
Coz now's the time
I'm in your arms and I can't believe it
Will you remember me tomorrow

Kissing in the dark of night
Never wanna say good night
Ohhh ohh baby
No one touch my heart like this
Never from a single kiss
Ohhh ohh baby
Will you remember me tomorrow

Time goes by
And you don't know
But you should know

Kissing in the dark of night
Never wanna say good night
Ohhh ohh baby
No one touch my heart like this
Never from a single kiss
Ohhh ohh baby
Will you remember me tomorrow

Kissing in the dark of night

Never wanna say good night
Ohhh ohh baby
No one touch my heart like this
Never from a single kiss
Ohhh ohh baby
Will you remember me tomorrow
