I, I had been hurt before  
So I, wasn't at all so sure  
What to do  
In need of someone new

I, I didn't know what to give  
No I, had no idea how to live my life  
(d) Been a mess for many years  
And getting rid off all the tears  
Just started working when I met you

'Cause you  
Showed me life in a diff'rent way  
Gave some color to all that's grey  
Made me see what it's all about

Yeah you  
You're the meaning to all those words  
That 'till now I only heard  
Do you see  
That they are true  
'Cause today I turned around and I met you

I, I was starting to feel so small  
'Cause I, I didn't believe it all  
Would ever be  
And if it would than not for me  
It took a while to make me see  
But it all happened when I met you

Before, life meant nothing more than pain  
Falling down and down again  
It was more or less the same  
Lost in agony and shame  
But you got me out of there  
To anywhere, ...  
I'd wanna do, I'd wanna go

'Cause you  
Showed me life in a diff'rent way  
Gave some color to all that's grey  
Made me see what it's all about

Solo

Yeah you  
You're the meaning to all those words  
That 'till now I had only heard  
Do you see, I have just found out  
That they are true  
'Cause today I turned around and I met you
