And you can tell me anything
that you want
and I'll wait for you.
Because I'll only be playing the part,
that you want me to.
And I can't believe that
after what you did,
still can't tell you no.
My mind knows better,
but my heart would never
let me let you go.

I try to stay as far as I can,
away from you.
Buy my magnetic heart
just won't understand
why I can't have you.
So I try to keep my distance,
but you're breaking my resistance.
I can't explain why
we're meant to stay apart,
to my magnetic heart,
my magnetic heart.

You're pulling me in every direction,
do you even care?
I could run to the edge of the world,
you'd be standing there.
And I'm giving in,
when I let you win,
and I just can't escape.
Now I'm falling down,
and you are not around,
a broken heart can break.

I try to stay as far as I can,
away from you.
But my magnetic heart
just won't understand
why I can't have you.
So I try to keep my distance,
but you're breaking my resistance.
I can't explain why
we're meant to stay apart,
my magnetic heart,
my magnetic heart.

I can only take so much,
you knock me down
everytime that you build me up.
And I don't know where you end
and where I start.
My magnetic heart.

I try to stay as far as I can,
away from you.
But my magnetic heart
just won't understand
why I can't have you.
So I try to keep my distance,
but you're breaking my resistance.
I can't explain why
we're meant to stay apart.
My magnetic heart,
my magnetic heart.
