(Mason, Thomas, Slamer, Ward)

There's a fly on the wall, he must have seen it all
Buzzing around my head, the angry words that you
said

And when he flies out the door, like you did once
before

It brings it all home (Time after time)

Pick up the phone (I'm here all night)

Always alone...

Domino, I'm in the shadows, now your gone, you know

Domino, and I can't seem to find my way

Domino, you cut me deeper than the river flow

Domino, and I stays dark in here all day

It isn't easy to crawl, it isn't easy at all

But when you're never home, it's harder sleeping alone

I'd give the devil his due, for just one word from you

A card in the mail (Once in a while)

Those little details (Keep me alive)

Keep me alive
