This hallway's dark and empty  
Just miles and miles of endless road  
I've got a sickness pounding in my head  
I'm at the mercy of the ghosts

But what it would take to live  
As if I would not another day  
To live without despair  
And to be without disdain

How can I instill such hope  
But be left with none of my own?  
What if I could sing  
Just one song  
And it might save somebody's life

I saw it after  
Have the reasons to stay  
I was lost  
I was lost

Then the sky turned black  
And the rain's poured down

I was waiting  
Waiting to be found  
Oh, no

How can I instill such hope  
But be left with none of my own?  
What if I could sing  
Just one song  
And it might save somebody's life

There I would sing  
All that I can say  
Because that is when  
When I feel that I'm not just counting time

Oh, and I sing  
All that I can say  
Maybe just for the moment

Things would seem alright

Oh, and I sing

Oh, and I sing

Oh, and I sing

Oh, and I sing
