You could have the sun  
You could have the water  
This I'd give to you  
You could be the moon  
You could be the harbour  
I arrive to  
You could come over uninvited  
You said I'm the one  
The one to hold you  
Does that go for others too

No surprise [x3]

Yesterday around 4 AM  
I thought about you  
for a minute or two  
I know it's no good  
I feel so lonely  
Sleeping without you  
How come your arms are not around me  
I said i'm the one  
the one to hold you  
But I guess he said that too

No surprise [x3]
