They tell me he's a menace to man, this boy of mine  
They say they're gonna take him away, make him tow  
the line  
Don't take him away, Don't take him away.

A handsome and intelligent child, he's nobody's fool  
They showed him round the chemistry lab and later lost  
the school.  
Don't take him away, Don't take him away.

Chorus

Cause he's a Momma's boy, always been good to his  
Momma that boy has always been good, cause  
He's a Momma's boy, always been good to his  
Momma that boy, he never does what he should,  
We say Momma!

It's almost like holiday camp, if you're nice to me  
I'm what they call your commandant, I'm here to please  
Leave him with me, leave him with me.

Chorus

Cause he's a Momma's boy, always been good to his  
Momma that boy has always been good, cause  
He's a Momma's boy, always been good to his  
Momma that boy, he never does what he should,  
We say Momma!
