(Slamer, Ward)

I got excited
So I decided
I couldn't hide it
Ooh I guess it's time to confess
That you still light me up
Like a cigarette

I had to see you
I have to tell you
That if you wanted
Ooh to take a chance
And you'd see
That your saving a man from insanity

Do you need a little loving
Do you
Need a little loving
Tell me that you
Need a little loving

I see your nervous
You don't deserve it
I'll do the service
I'll bring you round to believe
That you can't mess around with reality

You're out of danger
I'm not a stranger
Sooner or later
Ooh I guess that you've got to know
That I'm here, I can't help
When you're feeling low
