"What A Night"

I'm so happy lying here, reclining in this easy chair,
Wond'rin' what the hell could go wrong.
My mind's confused, my body tired,
I wonder if I'm still alive,
Has Anybody here please got the time
Oh no, the time
(Chorus)
Ooh what a night, Ooh what a night, Ooh what a night,
Ooh what
A night, Ooh what a night, Ooh what a night, Ooh what a
night,
Now the morning's drawing near, my head she thump
from the beer, And
The telephone she ring (who's there?) My God that
typist that I floored I
Must have drunk more than I thought, Can anybody
here please show me
The door Oh no, you want more?
(Chorus repeat)
