"You Re Leaving Me"

(Mason , Slamer, Ward)

Leave my keys in the door
Throw my bills on the floor
A note by the bed was all that se said
You couldn't stay, your leaving me

Take the phone off the wall
Tell your friends when they call
That we're indisposed, and this house is closed
From now on, you're leaving me

You're leaving me, with no good-byes
I want to die, and I don't know why you're
Leaving me with lonely nights
My eyes on the door, my face on the floor
You're leaving me, and life goes on , night after day
And time drags by real slowly non

How d'you spend your weekend
I stayed over with friends
And talked until four, slept on the floor
Missing you - you're leaving me...
