C about me cus you're interesting C about me girl you change up the scene C about me cus you're stimulating C about me, C about me

I don't wanna come off impolite
Gotta let you know
When you walked by
Your smile, your times, your hazel eyes
Girl your body was off the chain
Now baby i wanna know
Maybe if i'm being rude
Do my thoughts seem a little crude?
If you ain't feeling me well then that's cool
I'm just paralyzed by something new
So what you wanna do is..

C about me cus you're interesting C about me girl you change up the scene C about me cus you're stimulating C about me, C about me

C about me cus you're interesting C about me girl you change up the scene C about me cus you're stimulating C about me, C about me

Now if I asked you to walk with me
And just hold my hand while you talked to me
Do you think ya and me could be (possibly)
If we keep this up then it's likely come on give me a
sign or a hint that you're into me
Won't you say to me (babyy)

Definitely our reality changing from you and me to we So baby now all you gotta do is
