Come on over
Sittin' at home thinking about u babay
Nothing to do acting kinda lazy
What im tryin to ask is would u like to
Come come on by to make you fly

U know the vibe so were together
It don't matter if its rainy weather
We got a sorta special thing
Knock on my door and do what ever

Common over over baby
Common over baby
Common over baby, ohh nooo noo
Common over baby common over baby
Coomon over baby nobody has to know

It may seem I have more in mind
The truth be told u could not be more right
U make me feel I have nothing left to hide
Just drive to me we'll take another ride

U know the vibe so were together
It don't matter if its rainy weather
We got a sorta special thing
Knock on my door and do what ever

Knock knock knock, on my door and just tell me where
to go
Just common over baby
Common over baby, common over baby just common
over baby
Common over baby, come on over baby
Why don't u come over here baby
Come on over baby

li love lookin in ur eyes can we talk until sunrise
sugarsweet sexy mama queen U know the vibe so were
together
It don't matter if its rainy weather
We got a sorta special thing
Knock on my door and do what ever

li will give u what u need
Common over baby common over
baby just common over baby
ohh common over baby
Common over baby
don't nobody have to know, just common over baby
