I don't want to see the light of day
I wont do nothin take my endless night away
I don't want to see the light of day
I wont nothin take my endless night away

Its just one of those nights
When You dont wanna be no where else in the world
just you and your girl
Its just one of those nights
When all your problems just fly away it seems
everythings gonna be okay
Its just one of those nights
Lets just ride away we got so much time to play
Its just one of those nights

Everytime I breathe in I feel these cold waves sort of
sink in
And the sky is so clean and so blue I wanna jump in
Not quite too sure what it is but im thinking that I like it
I feel a change in the gravity are my feet on the ground
cuz Im feelin like im weightless
Its so un-re-al
Its so un-be-live-a-ble
I wanna know if this moment is true
Yes it is cuz youre feeling it too

Its just one of those nights
When You dont wanna be no where else in the world
just you and your girl
Its just one of those nights
When all your problems just fly away it seems
everythings gonna be okay
Its just one of those nights
Lets just ride away we got so much time to play
Its just one of those nights

I second guess everything I know cuz Ive never know
things to be this good
If I could stay in this place forever and ever I would if I
could
Im right here the fine line between my dreams and my
realities

A second feels like eternity and now I see my whole life
with so much clarity
Its so un-re-al
Its so un-be-live-a-ble
I wanna know if this moment is true
Yes it is cuz youre feeling it too

Its just one of those nights
When You dont wanna be no where else in the world
just you and your girl
Its just one of those nights
When all your problems just fly away it seems
everythings gonna be okay
Its just one of those nights
Lets just ride away we got so much time to play
Its just one of those nights

I don't want to see the light of day
I wont do nothing take my endless night away
I don't want to see the light of day
I wont do nothing take my endless night away

I don't want to see the light of day
I wont do nothing take my endless night away
I don't want to see the light of day
I wont do nothing take my endless night away

Its just one of those nights
When You dont wanna be no where else in the world
just you and your girl
Its just one of those nights
When all your problems just fly away it seems
everythings gonna be okay
Its just one of those nights
Lets just ride away we got so much time to play
Its just one of those nights
