I'm tired of playing these games
And I need to know if you wanna change
I need to know if what we have will always be
Let me know, right now that what we have is real
And it's time to take, to take a chance baby

Hey little mami dont you worry bout a thang
Papi's gonna buy you all the bling bling
Cus you love not once, but love me long time
And I want you to know that you could be mine
Not playing with you baby let me show you the way
I'll give you all my love and i'm here to say
I will love you endlessly

I really didn't know what you meant to me
And I really didn't know that a man like me could ever
be
So here I am, I wanna be your man
Understand that I wanna take a stand
Come on now, you gotta let me know
Will you be the one cus I love you so
And yes I know baby yeah what you've been through
But I will tell you now that my love is true
Girl I want you
Girl I need you
I just wanna tell you

Hey little mami dont you worry bout a thang
Papi's gonna buy you all the bling bling

Cus you love not once, but love me long time
And I want you to know that you could be mine
Not playing with you baby let me show you the way
I'll give you all my love and i'm here to say
I will love you endlessly

I'm trying to show you
Just what you mean to me
Can't you believe in me
Like I believe in you

Hey little mami dont you worry bout a thang

Papi's gonna buy you all the bling bling
Cus you love not once, but love me long time
And I want you to know that you could be mine
Not playing with you baby let me show you the way
I'll give you all my love and i'm here to say
I love you endlessly

Hey little mami dont you worry bout a thang
Papi's gonna buy you all the bling bling
Ooh, ooh, ooh, ooh, ooh
Girl i love you endlessly....
Yeah yeah yeah yeah yeahhh..
