Personal, let's get personal
Personal
Personal, let's get personal
Personal
Personal, personal

I think I'm in love, the minute I saw her walk in through
the door
A chain reaction, my mind reacting
Thinking, ooh I've got to get close, let her know that I
want her
And I think that we're gonna have a good time

Baby, I admire the way you are
And we can sit by the bay and talk
When that other guy calls, press ignore
'Cause we gonna look at the stars all night

Call you later tonight
Maybe we can get right
Make an offer, I hope that you like
So we can get personal

When you see my number, answer your phone
Come see me and we'll be alone
I can drive ya wild, bachelor style
I just wanna get personal

So now here we go, kissing while we're driving
On the way to my home, we're both adults consenting
to this affair
I know you see me staring with that look in my eyes
Hoping you will give in to me tonight

Baby, I admire the way you are
And we can sit by the bay and talk
When that other guy calls, press ignore
'Cause we gonna look at the stars all night

So can I call you later tonight
Maybe we can get right
Make an offer, I hope that you like

So we can get personal

When you see my number, answer your phone
Come see me and we'll be alone
I can drive ya wild, bachelor style
I just wanna get personal

Baby, I admire the way you are
And we can sit by the bay and talk
When that other guy calls, press ignore
'Cause I got interest, let's do business

So won't you come out and sit with me
Sipping strawberry martino
Together we'll feel the [Incomprehensible] breeze
So can I look at the stars all night

Can I call you later tonight
Maybe we can get right
Make an offer, I hope that you like
So we can get personal

When you see my number, answer your phone
Come see me and we'll be alone
I can drive ya wild, bachelor style
I just wanna get personal
