[Intro:]

Magic.. N B Ridaz  
(Only If I'd known..)  
With the homie Marcos  
(..how much you love me, and i love you...)

If I only did then what I now know  
We would have kids, a home of our own  
I know what I did that I didn't show  
Couldn't get you to stay  
If I only did then what I now know  
I'd be with you until we grow old saying  
Love you, never let you go  
But only if I'd known

It was late that night  
It wasn't right to do  
What I did to fuss and fight  
I need to say  
Okay, I'm sorry for being mad at you anyway  
I crossed the line with you  
And pushed your buttons  
When I wasn't suppose to  
So what can I do, I don't wanna lose you

Your pain, your hurt is my rage, my burn, it's insane  
I've learned from mistakes I made for love  
It's been so long since I have seen you  
I need to be with you  
So I will do what you want me to

If I only did then what I now know  
We would have kids, a home of our own  
I know what I did that I didn't show  
Couldn't get you to stay  
If I only did then what I now know  
I'd be with you until we grow old saying  
Love you, never let you go  
But only if I'd known

[Rap by MC Magic & N B Ridaz:]

I wish i woulda known how i felt about things  
I must've just forgotten what you really mean to me  
It's been so quiet and lonely in this place  
I need you to hear that you miss me and that you're  
coming home today

[Marcos]  
I miss your lips  
Your touch like

The flowers miss the sun  
Its cloudy all day

Oh please take this guilt away from me

Your pain, your hurt is my rage, my burn, it's insane  
I've learned from mistakes I made for love  
It's been so long since I have seen you  
I need to be with you  
So I will do what you want me to

If I only did then what I now know  
We would have kids, a home of our own  
I know what I did that I didn't show  
Couldn't get you to stay  
If I only did then what I now know  
I'd be with you until we grow old saying  
Love you, never let you go  
But only if I'd known

Your pain, your hurt is my rage, my burn, it's insane  
I've learned from mistakes I made for love  
It's been so long since I have seen you  
I need to be with you  
So I will do what you want me to

If I only did then what I now know  
We would have kids, a home of our own  
I know what I did that I didn't show  
Couldn't get you to stay  
If I only did then what I now know  
I'd be with you until we grow old saying  
Love you, never let you go  
But only if I'd known
