Chorus

If you were mine
I'd be your everything
And you'd be the only thing
That I would ever need

If you were mine
I would tell everyone
That you are the only one
That I could ever want

Ohh yeah

Verse 1

Everything I dream about
Everything I talk about
One thing I can't live without
I wanna get closer to you
Can't stand being far away
Knowing that you don't feel the same way
Watching them bring tears to your eyes

Chorus

If you were mine
I'd be your everything
And you'd be the only thing
That I would ever need

If you were mine
I would tell everyone
That you are the only one
That I could ever want

Ohh yeah

Verse 2

All the words I sing about
All the letters I'd write about

Only thing I wanna hear about

So then I get closer to you
I know there's someone else
That he is only thinking of himself
Doesn't make any sense
For you to be lonely

Chorus
If you were mine
I'd be your everything
And you'd be the only thing
That I would ever need

If you were mine
I would tell everyone
That you are the only one
That I could ever want

Ohh yeah

Let me be the one you share your hopes and dreams
And never be alone again 'cause I will hold you
endlessly
Please don't be afraid to let your broken heart guide
you
Into these open arms that long to surround you
Baby

Chorus
If you were mine
I'd be your everything
And you'd be the only thing
That I would ever need

If you were mine
I would tell everyone
That you are the only one
That I could ever want
(repeat 2x)
