In this hotel  
Television's on  
Sound is down  
And everybody's gone

Just you and me  
And I wish I could be  
Far away  
In another scene  
(If only)

Starry-eyed kid  
Look at what you did  
You drank too much  
And you never could resist

Give a weak smile  
Lying on the tile  
And I count up all the times I've

Died  
I'm losing the sparkle in my  
Eye  
I just wanna say

Stay with me  
I will bring it back to you  
Bring me everything  
Get me on track  
I will bring it back to you

Coming up fast  
Faster than I can  
It is work  
In need of a plan

If I move slow  
The moon'll let me go  
I know, yeah, I know

Try  
Try as I might, I cannot

Find  
Someone to say

Stay with me  
I will bring it back to you  
Bring me everything  
Get me on track  
I will bring it back to you

I'm done the run through  
I will bring it back  
To you

I  
Feel like I'm running out of time  
Won't someone say?

Stay with me  
I will bring it back to you  
Bring me everything  
Get me on track  
I will bring it back to

An American girl  
Looking at the world  
The way that I do  
You're just like me  
Stay with me  
I will bring it back to you
