Haven't you seen me sleepwalking 'cause I've been
holding your hand
Haven't you noticed me drifting
Oh
Let me tell you I am

Tell me it's nothing
Try to convince me that I'm not drowning
Oh
Let me tell you I am

Please
Please tell me you know
I've got to let you go
I can't help falling out of love with you
Ooh

Why I am feeling so guilty
Why I am holding my breath
Worry about everyone but me and I just keep losing
myself

Tell me it's nothing
Try to convince me that I'm not drowning
Oh
Let me tell you I am

Please
Please tell me you know
I've got to let you go
I can't help falling out of love with you

Won't you read my mind
Don't you let me lie here
And die here

Please
Please tell me you know
I've got to let you go
I can't help falling out of love with you
With you

Ooh
Ooh

Haven't you noticed
I'm sleepwalking
