I need a 1st class chic and the one that I pick
(1st class kitten as we know it's crazy)
Man, you know that she's gonna be fly, be fly
(You could be that lady to roll with me, roll with me)

And it's you that I want girl
'Cause I ain't never seen it so hot, so hot, hot, hot
I need a 1st class girl

I live the life of a star, what more can you ask for
Da Funk'll make you move like a bobblehead on the
dashboard
Gotta pay attention 'cause you know I got the cash for it
Internationally known baby, check out my passport

Means I'm fly, no other guy will treat you like I do
I love your smile, look at them eyes, girl I'm so into you
This ain't no coincidence how I keep runnin' into you
The world's our play ground, G5, where you wanna
swoop

We can hit New York ballin, shop and spend some loot
Aye baby, baby in L.A, I even let you push the coop
Superman to Japan they say Otty got dough
Already got dough so I'm known around the globe, let's
go

I need a 1st class chic and the one that I pick
(Been around the world, you could be that one thing)
Man, you know that she's gonna be fly, be fly
(Ain't got, ain't got, you should be my 1st class girl)

I need a 1st class chic and the one that I pick
(Say what you wanna but I know you never seen it)
Man, you know that she's gonna be fly, be fly
(This hot, this hot, I can give you what you want, what
you want)

I need a 1st class chic and the one that I pick
(1st class kitten as we know it's crazy)
Man, you know that she's gonna be fly, be fly
(You could be that lady to roll with me, roll with me)

And it's you that I want girl
'Cause I ain't never seen it so hot, so hot
I need a 1st class girl

On the top of the world, girl you won't believe the view
She'll be off of your feet, a fairytale come true
No jet lag, got the best swag, you my 1st class chic
Franchise dime, you gotta be my 1st draft pick

So we do it big from continent to continent
Don't worry about the money and just focus on the time
we spent
I'm down for you, you down for me, that's hundred
percent
On a trip with my chic, Louie bag filled with chips

I need a 1st class chic and the one that I pick
Man, you know that she's gonna be fly, be fly
I need a 1st class chic and the one that I pick
Man, you know that she's gonna be fly, be fly

I need a 1st class chic and the one that I pick
(Been around the world, you could be that one thing)
Man, you know that she's gonna be fly, be fly
(Ain't got, ain't got, you should be my 1st class girl)

I need a 1st class chic and the one that I pick
(Say what you wanna but I know you never seen it)
Man, you know that she's gonna be fly, be fly
(This hot, this hot, I can give you what you want, what
you want)

I need a 1st class chic and the one that I pick
(1st class kitten as we know it's crazy)
Man, you know that she's gonna be fly, be fly
(You could be that lady to roll with me, roll with me)

And it's you that I want girl
'Cause I ain't never seen it so hot, so hot
I need a 1st class girl

I need a 1st class chic and the one that I pick

you want)

1st class kitten as we know it's crazy
You could be that lady to roll with me

'Cause I ain't never seen it so hot, so hot
I need a 1st class girl
