Kill the lights.  
Mary - own me.  
This is what I get.

Friday night  
Shave me. Loathe me.  
Waxing pathetic.

Read me rights  
Holy Mary.  
Both my palms blood-wet.

Friday night  
Sold me lonely.  
One thing I regret...

All my life  
Sifting. Combing.  
How could I forget:

Love?

Lost time, losing height  
Searching for Jesus on a Friday night  
You get wronged.

Lost time, think you might  
Be the perfect host for a parasite  
You get gone

You pissed your life away  
Seven straight years to the day.

Lost time mosquito's bite  
Looking for a reason on a Friday night  
To get wronged

Lost time, blackest white  
Growing your beard like a Mennonite  
You get done

Lost time...
