An itchy finger is in place  
Don't let that conscience go to waste  
You wanna step out of line?  
You wanna get in my face?  
Uh uh, I didn't think you did.  
You wanna take it outside?

You ain't a contender  
Better surrender  
It's a slugfest  
Slugfest - I'm the main offender.

An itchy finger is in place  
Grinding them teeth into a paste...
