Once there was a chicken who would say, "Chick chick"
"Chick chick" all day
Soon that chick got sick and tired of just "Chick chick"
So one morning he started to say

"Chickery chick, cha-la, cha-la
Check-a-la romei in a bananika
Bollika, wollika, can't you see
Chickery chick is me?"

"Chickery chick, cha-la, cha-la
Check-a-la romei in a bananika
Bollika, wollika, can't you see
Chickery chick is me?"

Every time you're sick and tired of just the same old
thing
Sayin' just the same old words all day
Be just like the chicken who found something new to
sing
Open up your mouth and start to say

"Chickery chick, cha-la, cha-la
Check-a-la romei in a bananika
Bollika, wollika, can't you see
Chickery chick is me?"

Every time you're sick and tired of just the same old
thing
Sayin' just the same old words all day
Be just like the chicken who found something new to
sing
Open up your heart, start to sing

"Chickery chick, cha-la, cha-la
Check-a-la romei in a bananika
Bollika, wollika, can't you see
Chickery chick is me?"
