(Understand what man? Huh?)

She ain't talkin' to me son

(Word)

Yo I need you to do me a favor yo

(What?)

You gotta call her homie

(What'chu want me to call her for?)

You gotta tell her for me

(Tell her what man?)

That I love her so strongly

(Why don't you just tell her yourself?)

Cause she won't listen to me, no

(Damn)

Without love in my heart

I might as well be dead

(Hold up, hold up, you ain't gonna be killin' yourself
nigga c'mon)

So can you help me out?

(a'ight son I'm callin.. I'm callin)

You're the only one who can

[Ryan (Claudette)]

Hello?

Yo shorty

I just got off the phone with Rob,

He told me to come talk to you

(Yeah, bout what?)

He said y'all having problems

And you left him, now he's all confused

(Man, so what?)

Now girl why you buggin'?

You know you was made for him
And him for you
I ain't trying to butt in
I just wanna be a friend
And he asked me to call you

Chorus

You gotta call her homie
And tell her for me
That I love her strongly
She won't listen to me
Without love in my heart (yeah)
I might as well be dead
Please help me out
You're the only who can

(He wanted me to call you)
You gotta call her homie (call)
And tell her for me
That I'm really sorry
She won't listen to me
Without love in my heart
I might as well be dead
Please help me out
You're the only who can

[Ryan]

Hmm, girl this thing has gone on, long enough
Can't you see
He don't know the true reason that you left him
Baby is cause of me, whoa
He would be real surprised
To find that I'm the new apple of your eye
What kind of friend am I?
To take advantage of - my best friend's trust .. oh...

Chorus

You gotta call her homie
And tell her for me
That I love her strongly
She won't listen to me (can't believe what I've done)
Without love in my heart
I might as well be dead (ooh)
Please help me out
You're the only who can

(all he wanted me to do was call)
You gotta call her homie (call)
And tell her for me (ooh)
That I'm really sorry
She won't listen to me

Without love in my heart
I might as well be dead
Please help me out
You're the only who can

[Claudette (Robby)]
If you wanna know
Why I did - what I did
(Tell me why did you do it)
I got tired of being alone
While you was out trickin'
(Who told you I was trickin?)
I guess female dogs can learn tricks too (learn tricks
too)
See I'm not the bitch, baby payback is
And what you did came back to you, oh

Chorus 2x
