### "Caramel complexion"

Visit "[Caramel complexion](#)" on MotoLyrics.com

you can say i'm plain jane but it's not the same  
i aint into big names but i like nice things  
i watch boxing matches and football games  
i wouldn't mind being an actress but i love to sing  
i like goin out takin walks and stuff  
i dont hang with many girls cuz they talk too much  
i enjoy quiet nites at home to curl up next ya  
you know i aint no virgin but that don't mean i'm having  
sex wit ya

(Hook)

Anywhere i go i'm spotted  
And anything i want i got it  
5'5" wit brown eyes

(Caramel Complexion)

A smile like the sunrise  
Anywhere i go i'm spotted  
And anything i want i got it  
5'5" wit brown eyes  
Caramel Complexion)  
A smile like the sunrise

(Verse2)

Baby look me in the eyes (and tell me if)  
I'm the kinda girl you like ( i'm feelin you)  
Cuz baby you're my kinda guy (Datz what it is)  
Think about it you just might wanna run with this  
All night long and if you want me we can keep this  
going  
But lemme tell you i'm the type thats strong  
I don't trust a lot of men i'm independant  
I aint like some other women

(Hook)

Ven Aqu?, ven aqu? mam?  
Baby girl don't you know you're a star  
so we can take a lil trip to mi casa  
spend the night poppin Crys in the hot tub  
see i aint neva seen no girl like you  
every sexy lil thing you do

5'5" brown eyes with yo thick thighs  
everytime i see your smile got me hypnotized

(Verse 3)

Mira, mi amor m?rame bien  
Te encantar?, si quisieras lo tendr?s  
Lo que quieras hoy no tarda  
Yo lo veo yo consigo  
Piel morena ojos negros  
y sonrisa soleada.

(Hook Til The End)

{Translation:}

Look, my love look at me good  
You'll be hypnotized, if you want it, you'll have it  
Whatever you want you'll get today  
I can see myself going with him  
Dark skin and brown eyes  
And a smile of sunshine
