You can say I'm plain Jane, but it's not the same
I ain't in to big names, but I like nice things
I watch boxing matches and uh football games
I wouldn't mind being an actress, but I love to sing
I like going out, talking walks and stuff
I don't run with many girls cause they talk too much
I enjoy quiet nights at home, I'll curl up next to ya
Though I ain't a virgin that don't mean I'm having sex
with ya

'cause anywhere I go I'm spotted (don't really ask no
question)
And anything I want I got it (no frontin or no guessin)
5'5 with brown eyes (caramel complected)
Smile like the sunrise (body like heaven)

'cause anywhere I go I'm spotted (don't really ask no
question)
And anything I want I got it (no frontin or no guessin)
5'5 with brown eyes (caramel complected)
Smile like the sunrise (body like heaven)

Baby look me in my eyes
And tell me if
I'm the kinda girl you like
I'm feeling you
Cause sweetie you're my kinda guy
Think about it, you just might
wanna run with this
All night long
And if you want me we can keep this going
but Let me tell you I'm the type that's strong
And I don't trust a lot of men I'm independent I'm ain't
like some other women
'cause anywhere I go I'm spotted (don't really ask no
question)
And anything I want I got it (no frontin or no guessin)
5'5 with brown eyes (caramel complected)
Smile like the sunrise (body like heaven)

'cause anywhere I go I'm spotted (don't really ask no
question)

And anything I want I got it (no frontin or no guessin)
5'5 with brown eyes (caramel complected)
Smile like the sunrise (body like heaven)

Ven aqui, Ven aqui Mama
Baby girl don't you know you're a star
We could take a little trip to mi casa
Spend the night popping cris in the hot tub
See I ain't never seen no girl like you
Every sexy little thing you do
5'5' brown eyes with your thick thighs
Every time I see your smile its got me hypnotized

Mira (So can I get your number?)
Mi amor mirame bien
Te encantara si quisieras lo tendras
(I don't know what you said, but I like it)
Dondequiera, soy notada
Lo que quiero lo consigo
Piel morena, ojos negros
Y sonrisa soleada

Everywhere I go I'm spotted
And everything I want I got it
5'5 with brown eyes
Smile like the sunrise [4x]

5'5 with brown eyes
smile like the sunrise
[2x]
